

Support the CURESZ Foundation by signing up for Kroger Community Rewards and Amazon Smile!

The CURESZ Foundation is a 501c3 nonprofit organization created to bring hope to people suffering from schizophrenia and those who love and care for them. CURESZ stands for Comprehensive Understanding via Research and Education into SchiZophrenia. It was founded in 2016.

CURESZ envisions a future where schizophrenia and related psychoses are widely accepted as neurobiological brain conditions, and can be prevented, treated or cured, with restoration of wellness and full functional recovery.

Too often, a schizophrenia diagnosis gives rise to despair and hopelessness. The CURESZ Foundation promotes both knowledge and empowerment. CURESZ creates online articles, videos and printed materials that inform, encourage and inspire people with schizophrenia on their road to recovery. Check us out at www.curesz.org.

Would you like to help support the CURESZ Foundation? You can benefit CURESZ by setting up an Amazon account at smile.amazon.com, choosing CURESZ as your selected charity. If you live in the Cincinnati/Dayton area, you can register your Kroger Card with www.kroger.com to benefit the CURESZ Foundation. CURESZ will periodically be sent a check dependent on the amount of money you spend at Kroger.

Directions for Kroger:

Log into <https://www.kroger.com/account/communityrewards>. If you don't have an account, follow the directions to create one. Under "Savings and Rewards" choose "Kroger Community Rewards." Select "I'm a customer" at bottom left. It will bring you to a new page where you can search for organizations.

Make sure to select "health and wellness" on the upper right, and then search for CURESZ. Choose the CURESZ Foundation.
